Django Lab 1

Objective: There are two objectives of the Django labs each week

1. Build a Blog App with the supplied walkthroughs on the LMS.
2. Create a Django app following the Django official documentation
     https://docs.djangoproject.com/en/4.2/intro/

Hands-On Exercises

1. Complete the walkthroughs supplied each week.
   (Aim to complete two each week)

2. Create a Django app following the Django official documentation
   (Aim to complete one part per week)

   Do not rush or skim over the walkthroughs and exercises. Django takes time to learn, and you need to understand each layer.
